

# September Buzz!

## STRATA'S IN BLOOM CONTEST A TRUE SUCCESS

Since we began our Strata's in Bloom contest over three years ago we have seen an increasing interest in this event each year with our strata properties enjoy the sense of pride in their community and continuing to get outside and make their property "something to be proud of".

Some of our 1st place winners of various properties are below:

## THINK SNOW!!!

Busybee will be again offering snow removal services to our stratas.

We hand shovel smaller stratas and use plows and blowers on larger properties.

We use our environment friendly de-icer on walk ways.

**LET US KNOW**

**IF YOU REQUIRE OUR SERVICES THIS WINTER!**

## Irrigation Services

**Book your winterization now**  
**Same day service**  
**24 hour emergency care**  
**GIVE US A BUZZ**  
**FOR YOUR COMPLIMENTARY ESTIMATE**

## IN THE GARDEN...

### WHAT TO EXPECT IN SEPTEMBER

- Cut and trim lawns and continue to mulch lawns
- Fall fertilizer will be applied after hot summer
- Top dress lawns and top seed where appropriate
- Trim roses and perennials
- Removal of summer annuals and prepare area for bulbs
- Plant fall annuals (where applicable)
- Fertilize cedar hedging
- Additional plantings such as shrubs and trees begin (where applicable)

**We value your business...** Please call us to set up your FALL property tour and review of our current services to ensure they are meeting your property needs at 604-990-7233 or email us at
